THE SORBARA DIFFERENCE

Working with You to Design Your Dream Home

CHEF-INSPIRED KITCHEN

Experience the culinary luxury of an exquisite chef's kitchen, featuring premium finishes, an expansive island that doubles as a kitchen table, and sleek custom storage—perfect for cooking, entertaining, and everyday living.

INDULGENT SPA ENSUITE

Immerse yourself in the splendour of a spa-inspired ensuite, where a sculptural soaker tub, private water closet, glass-enclosed rain shower, and refined finishes create a sanctuary of tranquility and indulgence.

DREAM CLOSET

Step into your dream closet, complete with built-ins and endless organizational possibilities. Designed for both style and function, it offers the perfect blend of luxury and practicality.

MAIN FLOOR BEDROOM

Effortlessly elegant, thoughtfully versatile, the main floor bedroom offers refined comfort and seamless accessibility—ideal for guests or luxurious multi-generational living. Our multi-generation model features up to 6 bedrooms across the main and upper floors with exceptional flexibility to suit every lifestyle.

REVERSE

THE SORBARA DIFFERENCE

Working with You to Design Your Dream Home

MAIN FLOOR HOME OFFICE

A dedicated home office offers a quiet, private space ideal for remote work or study. Thoughtfully designed for focus and productivity.

ADJOINING BATHROOM

Elegantly appointed shared adjoining bathroom, connecting 2 bedrooms in a thoughtfully designed layout. Featuring dual vanities, a separate water closet, and refined finishes throughout. The perfect blend of style, comfort, and functionality.

FINISHED BASEMENT

Fully finished basements are the ideal space for entertaining, relaxing, or game nights. Design the space from start to finish and make it the perfect spot for gatherings or unwinding in style.

SIDE BASEMENT ENTRY

A dedicated side entry provides seamless access to the basement, offering exceptional flexibility—perfect for a private in-law suite, comfortable multi-generational living, or a lucrative rental opportunity.

ENERGY STAR® CERTIFIED

Live smarter and more comfortably with a Sorbara home. Every home we build is ENERGY STAR® certified, helping you save on utility bills while enjoying year-round comfort. From high-efficiency HVAC systems that improve air quality, to advanced windows and doors that boost energy performance, our homes are built to deliver lasting value—and a better way to live.
